Dear Fairview Foundation Benefactor,

The school year is in full swing and our children's educational needs are great. We wish to thank you, as a member of our Fairview School Community, for the assistance you have provided in support of the Foundation's endeavors. Your gifts have brought much needed funding to our school, enabling it to continue to promote and enhance the education of our students.

This year our goal is to raise an additional \$5,000. This will supplement our regular fundraising activities. These combined efforts will increase our ability to assist with the purchase of technology as well as continuing the individual \$350 faculty and staff grants to improve the learning process and provide additional classroom resources.

This school year we have already presented more than \$1,240 in grants to faculty and staff for individual programs/projects that encourage innovative, collaborative, and creative programs that support state and national educational initiatives. These grants provide up to \$350 and must support or enhance the educational experience of the students involved.

The Foundation previously contributed \$6,675 for the purchase of Chromebooks for the upper grades and \$1,900 for a 3D printer for Project Lead The Way. This year we have already contributed \$3,300 for the purchase of additional Chromebooks for the lower grades.

We understand that sometimes it can be difficult to donate, so please know that every small donation helps. Your contribution of \$10, \$25, or \$50 will go a long way to help us in achieving our goals and providing for much needed classroom resources.

Donations can be sent to the address listed above or made via the Community Foundation of the Ozarks website: cfozarks.org Once at the website, please navigate as follows:
